Royal Ocean Marine Enterprise Pte Ltd

Royal Ocean Marine Enterprise Pte Ltd is a Marine, Shipping and Marketing Consultants with strong support from Middle East / Indonesia companies. Our core business is to market our marine / shipping services and products to the Shipping and Marine communities. We have now ventured into recruitment agencies specializing in job recruitment / job placement in the marine / shipping communities. Our clients including major shipping companies, agencies, shipbrokers, oil traders, offshore industries and oil refineries.

Our client, a major oil trading company, is seeking highly motivated, suitably experienced and qualified candidate for the position of

Oil Trading Manager

Job Responsibilities:

- In charge of negotiating and executing profitable spot and longer-term trades involving both physical oil and paper instruments.
- Identify trading opportunities and to formulate trading strategies
- Constantly seek to improve and optimize existing trade flows and devise and implement new value propositions.
- Work with chartering colleagues to extract maximum oil/freight synergy value from every deal
- Work with associated shipping/operations and contracts groups to secure the most cost effective trading services and back office support.
- Calculate and execute strategies to hedge or otherwise manage the exposures arising from your trading positions

We welcome qualified applicants to write in stating your current position, experience, salary, expected salary with a copy of your photograph to recruitment@royalocean.com.sg
